

Creators - nurturing each child's talents

Here at Creators, we are passionate about seeing every child's unique talents being recognised and nurtured. We believe that a child, being nurtured in an environment filled with a positive presence, surrounded by passionate adults, will be filled with the sense of wonder and joy that will help them flourish through life!

We believe that children feel loved, have a sense of belonging and feel valued when their identity is securely fixed in love and encouragement. From this foundation, children feel confident to explore, learn and discover. Every child is a genius in their particular gifting and talent. Our role as Kaiako is to discover and nurture this in order for the child to reach their full potential.

We create a culture of innovative learning in our centres through pedagogical research and implementation of the Reggio Emilia inspired approach to early childhood education. The Reggio Emilia preschools have been recognised as some of the greatest preschools in the world, and we are excited to support this approach in our centres, setting a new standard in the industry.

Our three centres- Creators Forest Lake, Creators Grandview and Creators Waipa lay in the heart of their communities, with Forest Lake being situated at the top of a hill overlooking the city. All of our centres use natural materials to complement our classroom environment and create

authentic experiences for the tamariki in our spaces.

Our team are inspired by our tamariki and their whānau which helps them to develop genuine love for anyone who comes through our doors. We thrive to provide environments that are rich in learning opportunities through exploring nature. We have a passion for the outdoors and for helping to raise a generation of children who are empathetic to the needs of the earth.

Our Kaiako strive to partner with each child and their whānau and embark on learning journeys that support their individual passions and aspirations. With strong links into

our community, we believe it takes a village to raise a child and consider it an honour to be part of the village.

Need Childcare?

Discover a place where your child's security is firmly secured in love and encouragement.

Discover a place where your child's unique talents are recognised & fostered.

Discover a place where you child is nurtured in an environment filled with a sense of pure wonder, curiosity & joy.
